

New Behaviour Management System – September 2019

For September 2019 the Academy will be implementing a new behaviour management system. Students who are issued with a teacher referral (Previously a green slip) will be given sanctions on a progressive scale. These sanctions will be consistent throughout all subjects at the Academy.

Parents/Guardians will be made aware of any sanction issued via an email that will be sent home. Each time a referral is issued the information should be recorded in student planners.

As a guide the following is a basic outline of our new system and the minimum sanctions imposed will be;

Referral 1 – Warning

Referral 2 – Lunch detention

Referral 3 – After school detention

Referral 4 – After school detention and 1-week separation

Referral 5 – After school detention and 2-week separation

Referral 6 and all referrals after – As referral 5.

All students will be made aware of the new system via assemblies in early September 2019 and the updated behaviour management policy will be online in the autumn term.

It is important to remind ourselves here that the behaviour of our students on the whole is at least good and hopefully for the vast majority the above information is just that, for information only.

Mr Inman

Assistant Principal
