

Dear Parent/Guardian

The practice expedition section of the Duke of Edinburgh's award will take place on 11/05/19 – 12/05/19. I have attached a kit list of required equipment. The school has a store of sleeping bags, sleeping mats, rucksacks, waterproofs and boots to loan out – please fill in the slip on the reverse if required. The school will provide tents, stoves, fuel, maps, compasses and first aid kits to all students.

The practice expedition is a learning experience for the students and they will be accompanied by a staff member for the whole expedition but they will allow the students to make their own decisions and mistakes. The students will be able to call home an hour before they should reach the end point on Sunday. Please note the drop off and pick up times and locations below. If you have any issues with transport, please contact me in plenty of time and I will try to work something out.

The contact number for myself on the day will be 07951121670. Please note this is a school phone and only contactable on the above dates. Any other queries should come through the school number or by email: [DofE@branstonca.lincs.sch.uk](mailto:DofE@branstonca.lincs.sch.uk)

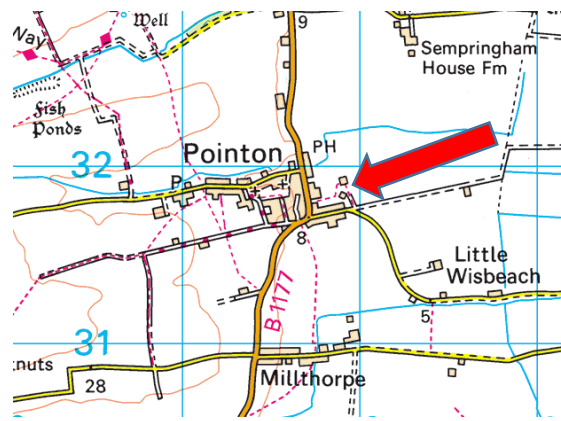

Please fill in the permission slip on the reverse and return to Mr. Ritchie, keeping this part for your reference.
