Dear Candidate

Thank you for your interest in the position of Assistant Principal at Branston Community Academy.

This post represents a rare opportunity for a dynamic, empathetic leader to join a high-achieving school with community at its heart. From January 2023 there will be 3 Vice Principals and 2 Assistant Principals.

The Senior Leadership Team (SLT) work exceptionally closely. This has been noted in several independent inspections/observations. All members of the SLT take responsibility for academy-wide issues especially Quality Assurance, which includes the review and performance management of particular department/pastoral teams. All are involved in lesson observation and in the individual performance management of a number of Heads of Department/Pastoral Leaders. All are expected to contribute to and carry 'cabinet responsibility' for academy-wide policy decisions.

The team working is facilitated by a weekly SLT meeting (usually Thursdays from around 4.00 – 7.00 pm) during which all matters of policy are openly discussed in a 'forum of equals'.

Supporting staff and students to be their very best is our core purpose along with maintaining a human approach and compassion; 'Standards with a smile' is our motto and 'Kindness or nothing' our one school rule.

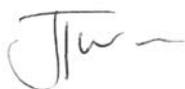

Standards of achievement, attainment and behaviour are high and the senior team are a visible presence in the school. Specific Senior Leadership responsibility for this post will be agreed based on the strengths of the successful candidate. You will be joining a school where professional development is key and a full induction programme is offered.

Much is asked of members of our community whilst recognising the need for a healthy work-life balance. All members of the SLT retain a teaching role, that of Assistant Principal being currently a 50% timetable. Candidates should state what subject they teach and to what examination level. An excellent classroom presence and role model standard teaching skills are required. You will therefore, need to have a very good track record at Head of Department (or equivalent) level and have demonstrated the ability to relate effectively to others, both as a colleague and as a team leader.

We are proud of what we have achieved, of our students and of our staff but we are not complacent and recognise that 21st century education poses many challenges for all of us. We are looking to further enhance the capacity at Branston to meet these challenges head on and continue on our journey. We welcome your application if you feel you have the qualities and experience to develop the professional capabilities of staff and enhance the educational experience of our students.

If you would like to visit the school prior to application or if you require any further information, please contact Helen Marriott, PA to the Principal, in the first instance

Yours faithfully

MRS J TURNER
Principal
