

MODERN FOREIGN LANGUAGES

“A different language is a different vision of life.” Federico Fellini

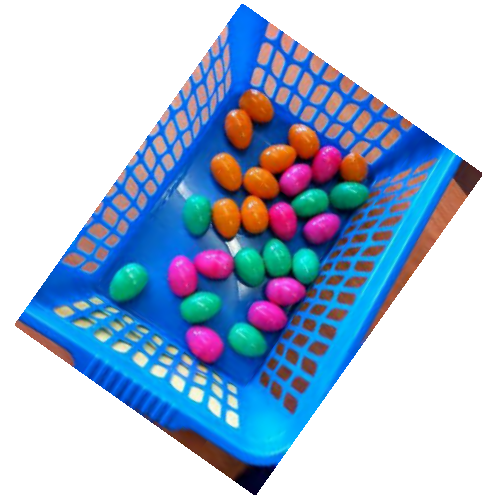

Engaging lessons in MFL....

A photograph of a classroom scene. Three people are seated at a table. On the left, a man wearing a red beanie and a dark jacket is smiling and gesturing with his hands. In the center, a woman wearing a blue beanie and a dark jacket is also smiling. On the right, a man wearing a dark baseball cap and a white shirt is looking towards the camera. The table in front of them has several papers and a blue folder. In the background, there is a desk with various items, a blue cabinet, and a sign on the wall that reads "LIFE IS BEAUTIFUL!". The overall atmosphere is bright and positive.

All the speaking practice we
do makes for great role play
opportunities!

We make learning accessible to students of all levels of ability through a range of activities, such as...

The Egg Challenge

Working as a team with different levels of challenge, depending on the colour of egg you go for.

Team effort with everyone playing a part at a level suited to them! 😊

Pair cards

Allowing students to work at the pace that's right for them, with plenty of opportunity to challenge themselves too.

Post-its

Everyone is able to input and show their progress here!

We embrace online learning to support progress and broaden horizons too...
