

### The new parent app – easy access to important school information

We have a convenient new way to share information with you about your child's school life. From 29<sup>th</sup> October 2019 we began rolling our new parent app and website. Please keep an eye on your email inbox for our invite.

You can access the system from a smartphone, tablet or PC – anytime, anywhere.

What will you find in the SIMS Parent app is as follows:

- Important information such as attendance and achievements – with mobile notifications (if you have them switched on) sent in the early evening
- School term, inset dates and contact details available at the click of a button
- Your child's timetable
- Access to update your contact details, so we always have the most up-to-date information in case of emergency
- If you have more than one child at school, you'll have access to information for all your children, from the same app

The information that you receive through the app will help you to stay up-to-date with your child's school life as well as support your child's development and progress.
