Dear Candidate

Re: Head of Psychology

Thank you for your interest in the position of Head of Psychology at Branston Community Academy.

We are looking for an outstanding practitioner who has a record of delivering KS5 Psychology with excellent outcomes.

Psychology is a popular choice for our students and the successful candidate will be expected to plan, deliver and evaluate KS5 Psychology.

You will be joining a successful and popular school with high standards of student behaviour, engagement and attainment. We make no apology for asking much from our staff and students but believe that ours is a caring, compassionate community where our informal motto of 'Standards with a smile' is evident. Professional development is key and a full induction programme is offered.

We are proud of our staff and our students and we recognise that 21st Century education poses many challenges for all of us. We are looking to further enhance the capacity at Branston to meet these challenges head on and continue on our journey.

We welcome your application if you feel you have the qualities and experience to develop the delivery of Psychology at Branston and enhance the educational experience of our students.

Due to the current COVID pandemic, we are not able to offer visits to the school prior to application, but we are happy to discuss any questions you have; please contact Helen Marriott, PA to the Principal, in the first instance if you require any further information.

Yours faithfully

MRS JO TURNER
Principal
