

## ACADEMY DRESS CODE

We expect all students in Years 7-11 to conform to the Academy Dress Code. The main reason for this is to encourage students to identify first and foremost with an Academy we hope they are proud of and feel happy to be a part of. It will also ease the pressure that children can put on parents/carers to provide fashionable and often expensive clothes for the Academy. For these reasons the emphasis is on sensible and conventional designs that are suitable for the Academy and resist interpretation according to the latest 'fad'. Similarly, students are expected to maintain standards of appearance with respect to such matters as hairstyle and make-up.

The support of parents and carers is expected in enforcing this policy and it must be remembered that problems arise when the occasional student flouts the rule and others see it as unfair for them to conform to the Academy code when somebody does not.
